WHO CAN GO ON THE TOUR ?

The uniqueness of our tours is that it allows for players of all abilities to go & learn. The clubs & coaches try to accomodate all the players within the variety of groups & training they offer. This enables individual development for each player.

Once a group has committed to the tour & coaches have confirmed their committment to the tour we then meet with the coaches to decide on the best training plan suitable.

To maximize the experience & learn, all players are asked to ensure that they spend time getting fit & conditioning themselves for the tour.
